Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
Construct Child Development Center	\$1,000,000.00	
Grand Total	\$1,000,000.00	

Please explain how these funds will be used to provide a public benefit:

Newberry has a shortage of quality childcare options in our community which places a strain on the workforce resulting in employees leaving jobs or not actively seeking employment to care for their children. This shortage impacts our employers when they lose employees and it is a challenge when attempting to attract younger employees that may be seeking to start a family and will need childcare services. This new center will alleviate some of the strain put on the current system which has a 6 month to one year waiting list.
