Please explain how these funds will be used to provide a public benefit:

The Hartsville YMCA has been delivering programs and services since 1985 and continues to serve a very diverse community. Through our childcare programs, health initiatives, swim lessons, community events and mentoring programs, our YMCA impacts a vast population in our community. To continue to nourish our mission and those who need us most, our facilities need modernization. This will enable us to carry out the YMCA mission to help ensure that our much needed programs are relevant and continue to serve our community.
