Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
Log Frame Repairs	\$675,000.00	New "sister" joist will be added adjacent to existing damaged joist.
Stiffen First Floor Structure	\$175,000.00	The existing floor joists are over-spanned. This necessitates installing two beams at a spacing to match the newly installed piers in the crawlspace and perpendicular to the joists along with new posts installed to match the pier locations.

General Conditions	\$55,000.00	Replace rotten wood with that of similar size, shape, and species of existing logs.
Grand Total	\$1,000,000.00	

Please explain how these funds will be used to provide a public benefit:

For more than 50 years, Walnut Grove has been providing educational opportunities for all ages. Over 4,000 students have participated in educational events on site each year. The Spartanburg County Foundation (property owner) and Spartanburg County Historical Association (property manager) want this to be a living history experience. Restoring the Walnut Grove historical site will preserve our historic assets, provide learning opportunities, and support tourism – benefits to all Spartanburg County residents.
