Independent Auditor's Report

To the Board of Directors and Members of Hilton Head Island - Bluffton Chamber of Commerce

Opinion

We have audited the accompanying financial statements of Hilton Head Island - Bluffton Chamber of Commerce (the "Chamber"), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Chamber as of June 30, 2023 and 2022, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Chamber and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Chamber's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Chamber's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Chamber's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 13-17 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of business

The Hilton Head Island - Bluffton Chamber of Commerce (the Chamber) is a not-for-profit organization established February 5, 1957, to represent, serve and promote the common interests of its membership and the business community and to contribute to the preservation and prudent economic growth of the southern Beaufort County, South Carolina area as a healthy place to live and conduct business.

Basis of presentation

The financial statements are prepared in accordance with generally accepted accounting principles in the United States (U.S. GAAP). The Chamber is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Restricted and unrestricted revenue and support

Contributions received are recorded as "with donor restrictions" or "without donor restrictions" depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in "without donor restrictions" if the restriction expires in the reporting year in which the support is recognized. All other donor-restricted support is reported as an increase in "net assets with donor restrictions", depending on the nature of the restriction. When a donor restriction expires (that is, when a stipulated time restriction ends, or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Revenue recognition

Visitor and Convention Bureau

The Visitor and Convention Bureau is a division of the Chamber, and funding is provided by membership investment, the state of South Carolina, Beaufort County, the Town of Hilton Head Island, and the Town of Bluffton through accommodations taxes and the Department of Parks, Recreation and Tourism funds. Revenue is recognized as services are performed.

Membership dues

Membership dues are received in advance and initially recorded as deferred revenue. Revenue is recognized ratably over the periods in which members are entitled to services.

Membership projects

The Chamber conducts various training, educational seminars, and promotions for its members. Tickets and sponsorships are sold to cover the expenses of conducting these functions. Project revenue is recognized on an accrual basis as earned.

Brochure advertising

Advertising revenue is collected in advance and initially recorded as deferred revenue. Revenue is recognized ratably over the periods in which the advertisements run.

The Chamber's revenues do not contain any components of financing or variable consideration and are primarily single performance obligation agreements.

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and cash equivalents

Cash and cash equivalents consist primarily of cash and short-term unrestricted investments with original maturities of 90 days or less.

Accounts receivable and allowance for doubtful accounts

Bad debts are provided for on the allowance method based on historical experience and management's evaluation of outstanding accounts receivable at the end of each year. Accounts receivable are charged off when management determines them to be uncollectible.

Property and equipment

Property and equipment assets are carried at cost for purchased assets or fair value for donated assets, less accumulated depreciation. The Chamber capitalizes purchases or donations of property and equipment exceeding \$1,000 which are expected to provide benefit for multiple years. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets which range from three to thirty years.

Income taxes

The Chamber qualifies for tax exempt status under section 501(c)(6) of the Internal Revenue Code. However, income from certain activities not directly related to the Chamber's tax-exempt purpose is subject to federal and state income tax as unrelated business income. Management has determined that the Chamber has no current obligations for unrelated business income tax. Accordingly, no provisions for federal and state income taxes are required. The Chamber is not classified as a private foundation.

U.S. GAAP requires management to evaluate tax positions taken by the Chamber and recognize a tax liability if the Chamber has taken an uncertain position that would likely not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Chamber, and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Chamber is subject to routine audits by taxing jurisdictions. No such audits are currently in progress, and management believes the Chamber is no longer subject to income tax examinations for periods prior to 2020.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cost allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Allocated expenses include salaries and benefits, which are allocated based on estimates of time and effort.

Subsequent events

The Chamber has evaluated subsequent events through September 21, 2023, the date the financial statements were available to be issued.

Advertising

Advertising costs are expensed as incurred and are reflected in Visitor and Convention Bureau expenses in the statements of activities.

NOTE 2 - CONCENTRATION OF CREDIT RISK

The Chamber maintains cash balances with commercial banks in deposit accounts. The Federal Deposit Insurance Corporation (FDIC) insured these deposits up to \$250,000 per bank. At June 30, 2023 and 2022, uninsured deposits totaled approximately \$1,093,000 and \$1,509,000, respectively.

NOTE 3 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

At June 30, 2023 and 2022, the Chamber has \$3,058,416 and \$3,162,300, respectively, of financial assets available within one year of the statement of financial position date to meet cash needs for general operating expenditures. Financial assets consist of cash and accounts receivable.

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment consists of the following:

Other	13,431		64,483
	\$ 2,214,075	\$	2,472,870

NOTE 6 - RETIREMENT PLAN

The Chamber is a participant in the American Chamber of Commerce 401(k) Retirement/Savings Plan (the Plan). The Chamber contributes a percentage of each eligible employee's salary and matches each employee's contribution up to a fixed maximum percentage. The Plan covers employees who have more than six months of service with the Chamber. The Chamber contributed \$103,865 and \$79,440 to the Plan for the years ended June 30, 2023 and 2022, respectively.

NOTE 7 - LEASE COMMITMENTS

The Chamber leases certain office equipment under noncancelable operating leases, expiring at various times through fiscal year 2026. At June 30, 2023, future minimum rental commitments under these agreements follow:

Year ending June 30,	
2024	\$ 24,198
2025	3,948
2026	1,645
Thereafter	
	\$ 29,791

Expense associated with operating lease agreements totaled \$81,719 and \$80,269 for the years ended June 30, 2023 and 2022, respectively.

The Chamber leases certain office space to a related third party. This agreement extends through fiscal year 2026. The following is a summary of future rents due under the agreement:

Year ending June 30,	
2024	\$ 74,107
2025	74,107
2026	37,053
Thereafter	 =
	\$ 185,267

Rental income, including common area maintenance and other fees, associated with this lease agreement totaled \$86,006 and \$78,881 during the years ended June 30, 2023 and 2022, respectively.

NOTE 8 - CONTINGENCIES

The Chamber maintains a bank line of credit that is renewed annually. During calendar years 2023 and 2022, the borrowing availability was \$3,000,000 and \$1,750,000, respectively. The line of credit matures in January 2024, and outstanding balances, if any, bear interest at the prime rate plus 1%. No balance was outstanding on this line of credit as of June 30, 2023 and 2022, and no borrowings or repayments were made during either year.
