| Position | Town Administrator |

Accounting of how the funds will be spent

Provide below an accounting of how the state funds will be spent*. Total expenditures should equal the total appropriation received. Expenditure descriptions similar to those used in your organization's accounting records should be used to maximize comparability of this budget to your organization's accounting of actual expenditures. For any category exceeding 10% of the total state contribution, provide additional details or subcategories of expenditures.

* Per Proviso 11-9-110, a contribution must not be made to an organization until it agrees in writing to allow the contribution to be audited by the State Auditor.

| Description | Budget |
|-----------------------------------|---------------|
| New building construction/ design | \$ 500,000.00 |

| Grand Total | \$ 500,000.00 |

Insert additional lines if needed. Grand total should equal the state funds to be received.

Success Measures

List the success measures that will determine the effectiveness of the use of the state funds to be received. Success measures should be stated in a way that can be measured. At least one success measure is required, but if there are more success measures than lines provided, copy and paste the last line as needed to expand the list.

| Measure | Description |
|---------|--|
| 1 | The Town Hall will allow employees to interact more efficiently with town citizens, which builds trust and confidence. |
| 2 | The Town Hall will allow unification with the town citizens to better understand town related events. |
| 3 | The Town of Williston plans to build a drive through for convenience for elderly and handicap customers. |
