Dear Ms. James:

Greenwood County is appreciative of the \$10,000 provide through the Greenwood Recreation earmark. The County used the funds to replace playground equipment at a park located in the center of the City of Greenwood. This park is located within walking distance of several low to moderate income housing neighborhoods and those residents frequently use this park. Additionally, there is ample parking for citizens to bring their children to play and often the parking lots are full. Replacement of the equipment has ensured that the children of our County have a safe place to play and obtain recreational playtime. Our primary goal was to be able to keep the park open by ensuring we had safe equipment and we achieved the goal through use of the grants funds and additional funds to cover the entire cost of this project.

Please feel free to contact me if you need additional information.

Sincerely,

Steffanie C. Dorn
Greenwood County Treasurer
