Accounting of how the funds have been spent:

Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

The three projects at the community park have been completed. There is an overage of nine hundred, eighty-one dollars and two cents (\$981.02). The overage came from work done by members of the community which create a saving for the roofs installation and electricals. Requesting for the projects saving to be use for painting of the two pavilions and building containing the kitchen and restrooms. These projects have made our park safer and more useable by young and not so young. The roofs will help preserve our building for many years.

COLLEGE

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
