Project yet to be started Estimated start date _____ Estimated completion date June 2026

The goal of this project is to construct a section of Crabtree Greenway trail system with the intent to connect to additional sections in future. City staff has procured Bolton & Menk to design the project. We estimate that the project will take approximately 2 years: 6 months for design and 18 months for construction.

The Organization certifies that the funds have been expended in accordance with the plan provided to the agency providing the distribution and for a public purpose.
