A total allocation of \$280,214.65 from the funding is earmarked for the development of two tennis courts and three pickleball courts. Sitework for this project is nearly complete and construction is scheduled to start within the next few weeks. It is estimated that it will take 22 days once construction starts for this project to be complete. The remaining budget of \$19,785.35 will be allocated to enhance the site with amenities such as benches, windscreens, and shade structures.

Thanks to this funding, Lions Park in Lake City, SC, is receiving new recreational amenities. These additions are expected to not only enhance the recreational scene in Lake City, but also open up new tourism avenues for both Florence County residents and visitors from across South Carolina.
