Dear Ms. James:

Greenwood County is appreciative of the \$44,000 provided through the Greenwood Recreation earmark. The County used the funds to purchase new playground equipment with ADA approved mulch located in the J.C. Boozer Recreation Complex in Town of Ninety Six. This park is located within walking distance of several low to moderate income housing neighborhoods and those residents frequently use this park. Construction of this playground has ensured that the children of our County have a safe place to play and obtain recreational playtime. Our primary goal was to create a safe environment for children to play at the already existing recreation center and we achieved the goal through use of the grants funds and additional funds to cover the entire cost of this project.

Please feel free to contact me if you need additional information.

Sincerely,

Steffanie C. Dorn
Greenwood County Treasurer
