Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
Improvements and renovations to the Arena Bowl and Backstage Areas	\$5,000,000.00	
Grand Total	\$5,000,000.00	

Please explain how these funds will be used to provide a public benefit:

The Bon Secours Wellness Arena (owned and operated by the Greenville Arena District) hosts approximately 130 events each year and 600,000 guests. The Arena is also an emergency shelter for the South Carolina Department of Public Health during natural disasters. Events at the Arena provide an entertainment value to the public as well as community outreach through donations of time, food, and spaces for meetings. The backstage areas of the Arena are deficient from a square footage standpoint to host certain events and compared to other more modern facilities. The funds provided will be used to improve the arena bowl and expand the backstage areas to provide more space for users of the Arena and to keep and attract events that are pressed for space or need more space to have an event. This additional space would allow the Arena to continue to provide top quality entertainment as well as attract new events to provide an even greater variety of events to the City, County, and State.
