Plan/Accounting of how these funds will be spent:		
Description	Budget	Explanation
AMW Promotions	\$45,000.00	The allocation of funds for the 2024 King Kat Classic Tournament and the
		associated production fees for the national TV show is an investment in both
		community engagement and local economic development.
Grand Total	\$45,000.00	

Please explain how these funds will be used to provide a public benefit:

The tournament will not only bring significant visibility to the area, attracting anglers and tourists, but it will also stimulate local businesses such as restaurants, hotels, and retailers. In addition, the national TV show filmed during the event will further elevate the profile of the tournament and the region, drawing attention from a broader audience and potentially boosting tourism in the long term. This type of exposure provides invaluable marketing for our area, helping to promote local attractions and positioning the community as a desirable destination for future events. The funds used are essential to ensure the success and quality of the event, as well as to take full advantage of the national TV production opportunity, which could generate sustained benefits for the community beyond the immediate economic impact of the tournament itself.
