Plan/Accounting of how these funds will be spent:

Description		Budget	Explanation
Streetscape Infrastructure		\$5,000,000.00	Upgraded streets, sidewalks, crosswalks, and parking
Grand Total		\$5,000,000.00	

Please explain how these funds will be used to provide a public benefit:

The streetscape upgrades are foundational to the downtown revitalization project that will create a more resilient and vibrant downtown district. The downtown revitalization project also includes upgrading water, sewer, and stormwater infrastructure and undergrounding all power and communication lines. Once downtown is completely renovated, it will serve as a catalyst for public and private investment, including new city facilities, a downtown theater, and residential, commercial, and retail development.
