We, the members of Mt. Moriah Baptist Church, located on the corner of Broad and York Streets in Camden, South Carolina, humbly request that you please advocate on our behalf for a grant for our Prayer Garden (green space) for the 2024 funding cycle for the purposes of building a Prayer Garden for the homeless that we serve and all people who visit the heart of our city on the corner of Broad and York Streets in Camden, South Carolina.

We provide several services for the entire community — feeding the hungry, providing a yearlong clothing bank, supplying occasional haircuts and toiletries, and holding community worship services for those in the community who are disenfranchised from mainstream churches as they may be homeless, addicted or detached from society. We do not separate the regular worshippers and those who are not. We believe that this human interaction, counseling, and compassion leads persons to shed their addictions, pains of separation, and abuse to become acculturated back into society and lead productive lives where they are gainfully employed and living in homes or apartments.

Our Pastor, Dr. Roger L. Harris, has a M.Div. in theology from New York Theological Seminary and can also counsel persons in this safe space, this prayer garden, collectively and individually. We prayerfully request that you assist us in this very needy endeavor that will impact our entire community. This Garden welcomes all persons who visit our city with a lovely and safe space to stop, rest, pray and meditate. We welcome all!
