Please explain how these funds will be used to provide a public benefit:

The North Augusta Multipurpose Miracle League Field which is currently under construction will consist of two baseball diamonds and a soccer field that will be located within the baseball complex at Riverview Park in North Augusta. Being a Multipurpose field, it is designed for other therapeutic activities such as tournaments, kickball, pickleball, movie nights and much more. The REcing Crew is partnering with other agencies in our area that provide services to child and adults with disabilities for the use for thier special programs, outdoor activities, classroom programs and much more. The AstroTurf surface, dugouts, and bleachers have been installed. The funds we are requesting will allow us to purchase two scoreboards and a video board for the complex.

During the past 22 years, The REcing Crew has been successfully providing recreational opportunities for individuals with disabilities from our community. This support will strengthen our community by allowing those with disabilities enjoyment and inclusion within our community
