Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
Property Assessment	\$200,000.00	To ensure informed decision-making by evaluating the property's suitability, costs, and compliance, maximizing its value and utility for municipal purposes.
Professional Services: Engineering for public Recreation Facility	\$400,000.00	Design and Engineering to develop and make property improvements
Construction	\$3,400,000.00	Includes contractor procurement, comprehensive planning, risk management, and project oversight to improve, expand, or renovate property for recreation purposes. May include acquisition of ROW and property.
Grand Total	\$4,000,000.00	

Please explain how these funds will be used to provide a public benefit:

This investment will deliver significant public benefits, specifically to enhancing health, community connections, and economic growth. **Public Health and Wellness** - The facility will encourage physical activity through fitness programs, sports, and walking trails, promoting healthier lifestyles for residents of all ages. By fostering mental well-being and reducing healthcare costs through preventative measures, it provides long-term value to individuals and the state. **Stronger Communities** - This facility will serve as an inclusive space for all ages and ability levels. It will host events, sports leagues, and after-school programs, fostering connections and keeping young people positively engaged. **Economic Impact** - The project will create short-term construction jobs and permanent positions in management and programming. It will also boost local businesses by attracting visitors for tournaments and events, contributing to economic development. **Equity and Accessibility** - Affordable programs will ensure recreation opportunities are available to all residents, addressing gaps in underserved areas. Designed for energy efficiency, the facility offers sustainable, long-term benefits. By funding this project, the state will help enhance public health, build community, and drive economic growth, leaving a lasting legacy for the Town of Clover, nearby areas, and the State of South Carolina.
