Dear Ms. James,

Attached please find the Town of Ridgeway's request for disbursement of funds set aside in Fiscal Years 2023 and 2024 for certain projects for the Town. I recognize the 2023 grant specifically mentions the construction of a splashpad, but the Town Council does not believe that would be the best use for those funds. In discussions with Representative Annie McDaniel, she indicated that as long as we included something for children, these funds could be used for that purpose. I have copied her on this correspondence.

We appreciate your review and consideration of this request and look forward to hearing from you soon. If there is any further information needed or if you have any questions, please do not hesitate to contact me.

Sincerely,

Walter J. Johnson, Mayor
Town of Ridgeway
