☐ Project yet to be started

Estimated start date September 2024

Estimated completion date December 2025

Please provide a detailed spending summary, goals that were accomplished, and how the expenses benefit the public. If project is yet to be started, provide an explanation.

Project is under construction and approximately 75% completed as of June 2025. The \$600,000 allocated funds have already been spent as part of a larger overall budget for the renovation of the Newberry Arts Center.

Project: These funds will be used along with the City's commitment to renovate an existing 17,000 SF building to be the new home of the Newberry Arts Center. The renovation of this facility will allow for expanded programming of classes, camps and workshops which are limited in the current space. Wait lists are in place for most programs offered due to the space limits.
