Final Summary of Grant for Electronic Sign
Dacusville Community Club of SC

Dear Ms. James:

The total amount spent on the electronic sign was \$24,245.96 with an additional \$5,820.00 for installation, bringing the total to \$30,065.96. The remaining amount after the \$25,000.00 grant, was paid for by Dacusville Community Club of South Carolina.

The first and foremost goal that was attained was the safety issue for the members of the Community Center who used to have to climb a ladder to change letters on the previous sign to announce events. We have received positive feedback from the community in that we are now able to provide advance notice of multiple activities that are occurring at the Community Center instead of just one. Many people were not even aware that the building was being used, much less the number of classes that are offered or the services that we provide to the community. It is also aesthetically pleasing and gives the center and surrounding area, an updated look. It is a win-win for both the community and the Community Center. We very much appreciate the fact that we were able to attain this grant and would like to thank Representative Davey Hiott for his continued support of the Dacusville Community.

Sincerely,
