Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year) :

Last year, the City of Conway and Horry County each received funds for a Conway to Myrtle Beach Multi-Use path. The project, when constructed, is intended to provide a continuous multi-use path for use by pedestrian and non-motorized vehicles. In order to preserve the continuity of the project across jurisdictional boundaries, Horry County and the City of Conway are in the process of finalizing an intergovernmental agreement to hire a consultant to perform the masterplanning for both projects, after which construction will begin.

Expenditure Certification	
The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
