Bernie L. Wright	Interim Executive Director

Accounting of how the funds will be spent

Provide below an accounting of how the state funds will be spent*. Total expenditures should equal the total appropriation received. Expenditure descriptions similar to those used in your organization's accounting records should be used to maximize comparability of this budget to your organization's accounting of actual expenditures. For any category exceeding 10% of the total state contribution, provide additional details or subcategories of expenditures.

* Per Proviso 11-9-110, a contribution must not be made to an organization until it agrees in writing to allow the contribution to be audited by the State Auditor.

Description	Budget
Lathers Memorial Dormitory	\$90,000.00

Independent Auditor's Report

To the Board of Directors

Penn Center, Inc.

Saint Helena Island, South Carolina

We have audited the accompanying statement of financial position of Penn Center, Inc. as of December 31, 2021, and the related statements of activity, statement of functional expenses and cash flows for the year then ended. These financial statements are the responsibility of management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Penn Center, Inc. as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

PENN CENTER, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Penn Center, Inc. (the "Organization") is a South Carolina not-for profit corporation chartered in January 1901. The mission of Penn Center is to promote and preserve Penn's true history and culture through its commitment to education, community development and social justice.

The Organization's major programs are as follows:

History and Culture

The History and Culture program collects, documents, preserves and disseminates information related to the cultural heritage of the Sea Island and Lowcountry African-American culture. To meet these needs, the program operates the York W. Bailey Museum and Gift Shop and maintains the Laura M. Towne Archives and Library. Program staff provides tours and lectures and develops and implements public programs such as the annual Penn Center Heritage Days Celebration.

Land Use and Environmental Education Program

The program assists native Sea Islanders in preserving and maintaining their land and cultural practices in the midst of environmental changes. Concentration is on citizen education, land use planning reform and sustainable economic development. General program activities include assistance with issues pertaining to taxes, heir's property and community organization.

Conference Center

The conference center provides retreat style lodging facilities, a modern dining hall, and meeting rooms to accommodate guests and program participants.

Program for Academic and Cultural Enrichment (PACE)

In the 1980s, Penn Center augmented its educational mission with the introduction of PACE, its Program for Academic and Cultural Enrichment. The PACE program fosters youth development programs for Sea Island children ages 14 months – 17 years.

Principles of Accounting and Basis of Presentation

The financial statements are presented on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and liabilities. The Organization reports information regarding its financial position and activities according to two classes of net assets; Net assets with donor restrictions and net assets without donor restrictions. Designated restrictions such as from management or the board are classified as net assets without donor restrictions. Support that expires in the reporting period in which the support is recognized is classified as net assets without donor restrictions.

PENN CENTER, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-Continued

When a restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. In addition, the Organization is required to present a statement of cash flows.

Contributed Services

During the year ended December 31, 2021, the value of contributed services meeting the requirements for recognition in the financial statements was based on the salary of the Executive Director. The former director for a portion of the year received no salary. The interim director initially received no salary but began receiving salary later in the year. The value of such donated services was \$72,139 based on a review of prior year personnel in that similar position.

Income Taxes

The Organization is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

Estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Organization to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Inventory

Inventory consisting of books, shirts, and other miscellaneous items for sale at the museum and special events is stated at the lower of cost or market computed under the first-in first-out pricing method.

Deposits and Investments

The Organization places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation (FDIC) increased coverage to \$250,000 for substantially all depository accounts. The Securities Investor Protection Corporation issues cash and securities at brokerage firms up to a limit of \$500,000, of which \$250,000 can be cash. Based on these guidelines, all deposits and investments were collateralized on December 31, 2021.

Custodial credit risk is the risk that in the event of a bank failure, the Organization's deposits may not be returned to it. The Organization does not have a deposit policy for custodial credit risk. Investments consist of mutual funds and cash sweep account.

PENN CENTER, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 4 PPP AND EIDL LOAN

Paycheck Protection Program (PPP)

The Organization received forgiveness of its Paycheck Protection Program loan a loan from Regions Bank under the Paycheck Protection Program established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

EIDL Loan

The Company received a grant from The United States Small Business Administration in conjunction with the Economic Injury Disaster Assistance program on May 4, 2020 in the amount of \$10,000 which represents a forgivable grant to aid in economic disaster recovery.

The Company also received a loan from the United States Small Business Association on June 16, 2020 in the amount of \$149,900 which represents a Small Business Administration Economic Injury Disaster Loan.

In 2021 the organization met the conditions to have its PPP loan forgiven. The statement of activities is where the forgiveness of the loan was reported.

NOTE 5 DEFERRED REVENUES

During the course of the year, Penn Center receives grants and contributions from individuals and organizations. When contributions are received before the earnings process is complete, they are considered deferred until earned at which time the amounts are reclassified as earned income. The general categories of these revenues are either unrestricted (the donor does not direct how the funds may be used by the recipient), or restricted (the donor gives the funds with specific directions as to the use of the funds). In the case of restricted contributions and grants, the balance of Deferred Revenues as of the financial statement date represents the balance of restricted funds received which has not yet been expended to meet the specific purposes of the contributions of the funds received. It is expected that unexpended funds on hand will be utilized to meet the purposes of the grant or contribution within the next accounting cycle.
