#### Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
Murrells Inlet Bike Path Parking Facility	\$325,000.00	Design and build a parking facility for the users of the Murrells Inlet Bike Path that is safe and harmonious with the surroundings. Alleviate congestion and provide safe and convenient access for all citizens using the path.
Grand Total	\$325,000.00	

#### Please explain how these funds will be used to provide a public benefit:

Inappropriate parking on private or business property and unsuitable walking conditions to the Murrells Inlet Bike Path underscore the need for a new, safe, dedicated parking area. This structure will clearly limit the aggravation of the private property and business owners, but will also help build community in the area, showing the county's concern for the local residents who experience a great influx of population during the summer season.
