Please explain how these funds will be used to provide a public benefit:

The North vs. South All-Star Football Game, sponsored by the Touchstone Energy Cooperatives of South Carolina, has played and continues to play a vital role in the state of South Carolina. Its long standing and rich tradition of 74 years has honored the student-athletes of the state by showcasing their elite talents in a final competition at the end of their senior season of football. The annual event was hosted in various cities around the state before moving to the City of Myrtle Beach in 1986 where it has remained. The North Team and South Team select 44 players each to represent their geographical regions. After a week of practice, the two teams come head-to-head in the final showdown of their high school careers. This past year, 2021, this organization provided senior student-athletes with the only opportunity to showcase their abilities after the football season had concluded, due to the absence of the Shrine Bowl. In 2021, The Touchstone Energy Bowl also expanded its support of student-athletes by honoring the top 140 players from the junior class to participate in a combine that was attended by college coaches, coordinators, and recruiters. Spectators looked on as juniors from across the state competed in the 40 yard dash, bench press, vertical leap, and other stations that showcased their abilities.
