## Please explain how these funds will be used to provide a public benefit:

Project H.O.P.E. (Healing Ourselves through Park Excursions) is designed to introduce or reacquaint participants with South Carolina parks and recreation as they take measures to improve their health, wellness, and knowledge. Adults will partake in excursions through the parks and learn about agriculture and terrain in South Carolina. Youth participants will explore careers in hospitality, which is not familiar to them, as they communicate with employees in the field. Through this program participants will discover stunning forested mountains and towering waterfalls, blackwater rivers and scenic inland lakes, white sand beaches and ancient inland shores, treasured American historic sites and priceless cultural treasures (SC Parks website, 2022).
