Please explain how these funds will be used to provide a public benefit:

The Calhoun Hills Golf Complex is a public 18-hole course owned and operated by Calhoun County as a public benefit focused on improving the quality of life for the entire community by creating recreational and entertainment opportunities. The funds to replace an outdated and failing irrigation system will afford the citizens a recreational opportunity, which is one of the only amenities available in the County. Without dependable irrigation the course's ability to maintain existing users and attract new users is dependent on rainfall.
